INTRODUCTION

Stand-up comedy offers a comedy that everyone can enjoy and laugh at and it has become a popular television program for both young and old people. Stand-up comedy is a genre of humor in which a comedian performs in front of a live audience and typically addresses them directly [1]. One benefit of stand-up comedy is that sarcastic expression is used frequently in all comic performances. Satire is a linguistic form used to make allusions to person or a situation [2]. The researcher is curious to watch stand-up comedy of Gabriel Iglesias. This study only focuses on Gabriel Iglesias special show at Bay Arena San Fransisco, California which is an interesting show, a lot of people like stand-up comedy because it can make people laugh and has many messages. Therefore, the researcher interested to see the satire used by Gabriel Iglesias in the special show at Bay Arena and The Tittle is Gabriel Goes to India. There are four types of satire, they are horation satire, juvenalian satire, burlesque satire, and irony [3]. The purposes of the research are to find the Satirical expressions, types of satire used, and the purpose of satire found in Gabriel Iglesias stand-up comedy. There are a number of researches done about satire.

Some of them are Sasmita [4], who studied about satire in three comedians of Indosiar TV programme. Then, Edhi [5] studied about satire in Film Er Ist Wiedder DA.

METHOD

In this research the writer use qualitative research. Qualitative research is a type of social inquiry that focuses on how individuals understand and make meaning of their experiences and the environment in which they live. The source of data is Gabriel Iglesias stand up comedy at Bay Arena with the topic of stand comedy is "Fluffy goes to India".The procedures used in this research was watching the stand-up comedy to collect the data that consist of satire by screenshot the script that contain satire, then the writer wrote all the data and classified them in the table, then analyzed the data based on the theory that writer used.

RESULT AND DISCUSSION

This research found 50 data of satire. The most types used of satire in Iglesias' special performance at Bay Arena in San Francisco, California is Horation Satire that consist of 27 data, Juvenalian satire with 11 data, next is Burlesque with 10 data and the last

type is Irony with 2 data. In Horation satire, the speaker presents himself as an witty, tolerant, and urbane man or character. The character is frequently amused rather than outraged by the display of human foolishness, pretentiousness, and hypocrisy., one of the examples found in the source of data is when Gabriel saying “... really bro? You’re gonna put that in your mouth fluffy? You know what that’s gonna do to your body? Hey have some self-respect...” in this satirical expressions Martin had satirize at Gabriel because Gabriel had no awareness of his diabetes with the purpose for Gabriel and the audience to be even more aware of his own health. Juvenalian satire is recognized for its irascibility and bitterness, with a sarcastic and cutting tone that exposes the corruptions of both people and institutions. Juvenalian satire uses cold, harsh, and angry language to portray human wrongdoing and unacceptably flawed social structures., one of the examples found in the source of data is when Iglesias saying “...dont drink the water in india it contains parasites that’ll make you really sickThe comedian satirizes environmental problem in india which is true, this utterance is to expressed his critique to evaluate the water’s problem in India.. The next type is Burlesque, this type occurs in any imitational work that uses an awkward mismatch between style and subject to create humor, one of the examples found in the data is “... like if you’re indian and you stutter, you’re so screwed. i-i-i-i-i-i, somebody stop him...” when Gabriel imitating an Indian stutter by saying i-i-i-i-i. This satire expression is used to entertain audience, it can be seen from when Gabriel imitating an Indian stutter all of the audience laugh aloud heard that jokes. The last type is Irony this type is a literary or rhetorical method where what a speaker or writer said differs with what is suggested or generally accepted. In contemporary usage, it can also be used to describe particularly striking examples of contradictions between what is intended or spoken and what actually happens in daily life. One of the examples found in the source of data is “... oh my god I must look tiny up there...” When Iglesias used himself as the material to mock and this satire expression generated amusement and laughter for the audience

“... <i>really bro? You’re gonna put that in your mouth fluffy? You know what that’s gonna do to your body? Hey have some self- respect.. .”</i>	“...dont drink the water in india it contains parasites that’ll make you really sick...”	“... like if you’re indian and you stutter, you’re so screwed. i- i-i-i-i-i, somebody stop him...”	“... oh my god I must look tiny up there...”
